DAUGHTERS OF MIRIAM CENTER

Dear Family Members and Friends:

As the Coronavirus (COVID-19) continues to unfold, Daughters of Miriam Center has made the unprecedented decision to prohibit all visitation in order to ensure the health and safety of our nursing home residents and sub-acute patients. Although we do not have any cases of Coronavirus at the Center, due to an abundance of caution, as of Friday, March 13, 2020 visitors will not be permitted until further notice. This bold step was not made lightly and we ask for your cooperation and understanding as we do everything within our power to safeguard the health of our vulnerable population.

As the situation evolves, we will keep you updated via email and will post updates on this website. If you have any questions, concerns, or would like to make arrangements to video conference with your loved one, please email Myrna Gomez, Director of Social Services at myrnag@live.com.
